Print the PDF on A4 with Scale set to 100% (Actual size) - not Default, Fit to page or Shrink to fit.

Printing a web image instead of the PDF will not come out to scale.

Hold your existing part against the outline below. Each grid square is 10 x 10 mm.

This bar must measure exactly 100 mm.

If it does not, the printer has scaled the page - reprint at 100%.
